

## Announcing the New On-Line Membership Renewal Process for 2025

Aug 15, 2024 | [news](#)

Beginning this fall, you will be able to renew your 2025 Park Shore Association membership and pay by credit card with a simple click on your computer or cell phone.

The new credit card system is already in use by new applicants and members who are still renewing for 2024. Thus far, we have received overwhelmingly positive feedback for this new system which greatly expedites the distribution of beach passes!

A current member will not be able to renew their membership for 2025 until Oct. 15, 2024. There is nothing more that you need to do at this time except to practice logging into the new website: [www.parkshoreassociation.com](http://www.parkshoreassociation.com).

If you have not logged into the new website before, please follow these steps:

1. Go to [www.parkshoreassociation.com](http://www.parkshoreassociation.com)
2. Enter the email that was used to send you this newsletter.
3. Click on "Forgot Password"
4. Follow the instructions which will result in your getting an email to change your password.
5. Choose a 12 digit password that has a capital letter, small letter, number and special character.

Once on the website, you will now have exclusive member access to the Park Shore Association membership directory where you can find the phone number and address of any member of the Park Shore Association.

Members of the Moorings Property Owners Association (an association very similar in size and age to the Park Shore Association) have been using this credit card system successfully for two years. We recognize that a very small percentage of Park Shore Association members do not have computers and we will make special arrangements for them. If you have any questions or concerns, please feel free to contact Ellen Seigel, Park Shore Association Membership Director at: [ellenseigel@hotmail.com](mailto:ellenseigel@hotmail.com) or 239-207-0806.
